

5TH EUROFRAME CONFERENCE
ON ECONOMIC POLICY ISSUES IN THE EUROPEAN UNION

**Ten years of a common currency:
achievements and policy challenges in the euro area**

Friday, 6 June 2008, Dublin, Ireland

CALL FOR PAPERS

The EUROFRAME group of research institutes (CASE, CPB, DIW, ESRI, ETLA, IfW, NIESR, OFCE, PROMETEIA, WIFO) will hold its fifth annual Conference on Economic Policy Issues in the European Union in Dublin on 6 June 2008. The aim of the conference is to provide an academic forum for debate on economic policy issues relevant in the European context.

The Conference will focus this year on **assessing the ten years of common currency in the euro area and will address prospects and challenges ahead**. Contributions should address in particular issues related to: the ECB's strategy and governance, real effects of a common currency, diversity issues, developments in the banking and financial systems, banking regulation, monetary and financial stability, exchange rate developments and their determinants, capital flows and financial integration, the role of euro as an international currency, the future enlargement of the euro area.

Submission Procedure

Abstracts should be submitted by e-mail before 17 March to catherine.mathieu@ofce.sciences-po.fr. Abstracts (2 pages) should mention: title of communication, name(s) of the author(s), affiliation, corresponding author's e-mail address, postal address, telephone number.

The corresponding authors will be informed of the decision of the scientific committee by mid-April.

Full papers should be received by e-mail by 19 May.
